

Hello my name is Miss Ashworth

I qualified as an NNEB in 1995 and presently working as a Teaching Assistant at St Leo's and Southmead School Nursery.

As part of my role I have worked with a number of children on a one to one covering a range of needs here at St Leos and Southmead and another school in Knowsley.

During my time at St Leo's and Southmead I have worked with all year groups from Nursery to Year 6 supporting both Teachers and children in all aspects of the curriculum. I have gained experience working with and liaising with outside agencies including Speech and Language and worked closely with parents in creating and reviewing play plans and EHCP plans as well as carrying out any associated programmes of work.

Please feel free to visit St Leos and Southmead School Nursery. We would be delighted to see you.

For visits please call the school on 0151 477 8410
