

## St Leo's and Southmead School Nursery Newsletter 24<sup>th</sup> February 2017

As you may know we have some new children who have recently started at our nursery. A big welcome to you from the nursery children and staff. During this half term we will be introducing them to the different areas of the nursery and finding out about their interests. Below are a few activities that you may like to try at home with your child.

**As part of Key Worker time we are singing Ring a Roses, Farmers in the Den, This is the way we .....**

**We have been sharing stories with predictable texts including The Gingerbread Man, Were going on a Bear**

### Top Tip Linked to Literacy

When out and about why not play a simple I Spy game. I spy with my little eye something beginning with ..... C for Car or d for dog. Let us know some of the fun things you found.

### Wednesday Library

On a Wednesday your child will bring home a library book to be returned on the following Tuesday. The book will come home in a bag which is to be kept with the book and returned the following Tuesday. All we say is enjoy your time together sharing the book with your child looking at and taking about the pictures. Bedtime is sometimes a good time to share a story.

### Top Tip:

**Encourage your child to put their coat on and try and put their shoes on by themselves. A great tip for coats is to put the coat on your child's head and let them find where their arms need to go by themselves.**

This week we have been enjoying our fun packed Dough Disco session. We think the choice of music delighted the children. This week we played the soundtrack from the movie Trolls. We have also been enjoying looking for shapes in the nursery including circle tables, rectangle doors and square windows. Why not try this at home or when you are out and about.

This week the children have enjoyed making their own snack. They have prepared sandwiches and Fruit kebabs. The children enjoyed tasting different fruits including grapes, melon, tangerine, banana, raspberries, peaches, pineapple, and strawberries. They also shared what fruit they liked the most.

**Just a little reminder of the names of the Nursery Team:** A big hello from Mrs Cawley AM/PM , Miss Ashworth AM, Mrs Sambour AM and PM
