

St Leo's and Southmead School Nursery Newsletter 12th January 2018

Firstly a big welcome to our new children who have really enjoyed their first week at Nursery taking part in lots of fun activities. During this half term we continue to find out about their interests. Following are a few activities that you may like to try at home with your child. This week the children have enjoyed again visiting our shoe shop but trying on some new arrivals and sale shoes!! They have also received a letter from Cinderella thanking them for returning the missing slipper. Cinderella has invited the children to a Ball next Wednesday. The children have helped write a shopping list for things we might need for a celebration.

WRITE A LETTER TO BACK TO US

As part of our ongoing interest we have been finding out the role of postman/woman

We have sent home an envelope with our name and address and stamp. Let your child make marks but write down below what they said they have written back to us. Then take a trip to the post box. We are looking forward to hearing from you and sharing the letters with the group.

Early Years Foundation Stage Literacy aspect of Writing says about the importance of writing for a purpose.

As part of our RE Come and See topic Celebrations the children have already been talking about celebrations including Travelling Teds Birthday, our class Baptism and Cinderella's Ball where she will marry the prince.

If you have any photographs of any recent celebrations we would love to share them with the group.

Just to keep you updated about easy peasy app. We will be having a visit from a representative from Durham University who are leading the easy peasy app Friday 12th January and Friday 19th January. If you would like to find our more please don't hesitate to speak to a member of the team.

This week we have been also writing each other invitations for the ball and posting them to each other in each child's personal post box(labelled with each child's name)

Just to let you know about next week's Ball
