

St Leo's and Southmead School Nursery Newsletter 19th January 2018

Firstly a big welcome to our new children who have really enjoyed their first couple of weeks at Nursery taking part in lots of fun activities. During this half term we continue to find out about their interests. Following are a few activities that you may like to try at home with your child. This week the children have enjoyed preparing for Cinderella's Wedding. They have continued posting invitations to each other talking about the celebration. On Thursday the children dressed up for a wedding and helped ice the cake. They enjoyed learning some ballroom dancing moves and mark making celebration cards for her.

WRITE A LETTER TO BACK TO US

As part of our ongoing interest we have been finding out the role of postman/woman

We have sent home an envelope with our name and address and stamp. Let your child make marks but write down below what they said they have written back to us. Then take a trip to the post box. We are looking forward to hearing from you and sharing the letters with the group.

A BIG THANK YOU AS WE ARE STARTING TO RECEIVE YOUR REPLY TO SHARE WITH THE CHILDREN!!!!

Early Years Foundation Stage Literacy aspect of Writing says about the importance of writing for a purpose.

As part of our RE Come and See topic Celebrations we had a visit from Mrs Lyons who leads Little Church at St Leos Church. The children enjoyed finding out about Jesus making friends. They then took part in a friendship activity.

If you have any photographs of any recent celebrations we would love to share them with the group.

Just to keep you updated about easy peasy app. We have had two visits from a representative from the University of Durham today and last Friday. She has enjoyed working with the children playing games with them. We will let you know when we receive a start date for the app.

This week we have been chanting numbers 1/10 and 1/20 as part of circle time. When climbing the steps why not chant number names 1,2,3,4,5,,7,8,9,10 chanting and saying numbers is the first part of learning all about numbers.

Just to let you know the Wedding Photographs as available to view on the nursery website from today. Visit our website at stleosandsouthmeadnursery.co.uk
