

St Leo's and Southmead School Nursery Newsletter 29th September

. During this half term we introduce each area of the nursery and find out about their interests and different things that we can do in that area with our key worker. Following are a few activities that you may like to try at home with your child. As part of our Transition visits we noticed an interest in Peppa Pig so we have set up a wonderful Peppa World . The children have really enjoyed playing with the figures, looking at the story books and recreating their own stories from using the different toys.

As part of Key Worker time we have continued sharing some favourite rhymes using both puppets and rhyme cards as props. The children have enjoyed choosing their own puppets linked to their favourite rhyme. Some favourites have included 1,2,3,4,5, Twinkle Twinkle, Miss Polly Had a Dolly, Incy Wincy Spider and The Wheels on the Bus. We would love to know their favourite at home. Don't forget you can write any comments or child interests etc in their home link book.

As part of an ongoing interest in Babies and our School RE Come and See Topic Baptism we would love to see any pictures of your child as a baby or their Baptism. We will be using these as part of discussion at Key Worker time.

Top Tip of the week linked to Maths: When heading up to bed count the steps with your child.

Friday Library

On a Friday children will bring home a library book to be returned on the following Thursday. The book will come home in a Red bag which is to be kept with the book and returned the following Thursday. All we say is enjoy your time together sharing the book with your child looking at and talking about the pictures. Before bed time can be a good time.

We will be sending home each Friday a home link book which the children have chosen the paper for linked to their interests. Some popular choices have been Paw Patrol, My Little Pony and Minions. Inside we will attach a weekly newsletter and a space for you to share any interests, comments, achievements, photographs or bus tickets from the weekend. You can also share information if your child hasn't slept well or has a cold.

Just a little reminder of the names of the Nursery Team

A big hello from Mrs Cawley , Miss Ashworth
Mrs Sambour

We are creating a number display so we are looking for your help .If you have or if you could take a picture of your child outside your house next to the number of your house. We would like to make a display to help with number counting and recognition. A big thank you from the Nursery Team

If you have any questions, queries, or suggestions, please do not hesitate to come and talk to any of the Key Workers or your child's Key Worker in Nursery. Thank you Nursery Team
